

# Get Timely Upland Game and Waterfowl Hunting Information

The DFG publishes a free subscription newsletter called Wing Beat News (WBN). WBN is mailed three times a year: February for wild turkey and rabbit hunting; July for dove and gray squirrel hunting; and September for pheasant, quail, wild turkey, waterfowl, and the many special, junior, women's and disabled hunting opportunities. Maps of public lands are also featured. Depending on where you like to hunt, please send a note or e-mail with your name and mailing address to either of the following DFG offices, and your name will be added to the appropriate mailing list for that part of the state. There is no WBN for southern California.

1. Northern California (north of Manteca and San Jose) – Gray Lodge Wildlife Area, 3207 Rutherford Road, Gridley, CA 95948 or e-mail to [glwla@dfg.ca.gov](mailto:glwla@dfg.ca.gov). Ask for a WBN subscription and/or a northern California wildlife area map booklet.
2. San Joaquin Valley (south of Modesto and San Jose to Bakersfield) – L. Effective in 2004, this issue will only be available via the DFG Web site at [www.dfg.ca.gov](http://www.dfg.ca.gov). Contact via e-mail [losbanosinfo@dfg.ca.gov](mailto:losbanosinfo@dfg.ca.gov).
